The kitchen is prepared to provide Gluten free, Dairy free, Vegetarian and Vegan meals without prior notice. **If your child is allergic to EGG, SOY or CORN, or you have any other dietary concerns, please call our office (831-722-8222) two weeks before your child is scheduled to attend to discuss menu substitution options. You may be asked to send up pre-made substitution meals if the dietary restrictions are beyond the scope of the Outdoor Science School kitchen.**
